

ARECOR TO PARTICIPATE AT THE OXFORD GLOBAL FORMULATION AND DRUG DELIVERY CONGRESS

Cambridge, UK, 30 September 2020: Arecor Limited (“Arecor” or “the Company”), the biopharmaceutical company advancing today’s therapies to enable healthier lives, today announces Dr Jan Jezek, Chief Scientific Officer, will join the panel discussion ‘Opportunities and Challenges in Formulation Development’ at the Oxford Global Formulation and Delivery Series US, Virtual on 29-30 September 2020.

The Formulation & Drug Delivery Congress joins leaders, experts and researchers, connecting global pharma, biotech and academia for high-level discussions on the latest innovations for biopharmaceutical development. The virtual series will discuss the state of the industry, looking at new strategies for optimizing biologic formulations such as antibodies, proteins and vaccines, as well as highlighting key updates in amorphous solid dispersions and combination products.

Panel discussion: **Opportunities and Challenges in Formulation Development**
Date and Time: **Wednesday 30 September 2020, beginning at 09:30 Pacific Daylight Time**
