**ARECOR ANNOUNCES ADDITIONAL AGREEMENT WITH LEADING BIOPHARMACEUTICAL COMPANY**

**Cambridge, UK, 5 July 2023.** Areacor Therapeutics plc (AIM: AREC), the biopharmaceutical company advancing today's therapies to enable healthier lives, announces that it has entered into an agreement with a leading biopharmaceutical company to support the ongoing development of a biosimilar product.

This revenue-generating collaboration follows an earlier technology partnership between the two companies, utilising Areacor's proprietary technology platform, Arestat™, and formulation expertise.

**Sarah Howell, Chief Executive Officer of Areacor, said:** *"This collaboration demonstrates the strength of our know-how and expertise and the value that expertise can bring to our partners' research programmes. We're delighted to be working again with an existing partner, strengthening a key relationship and building on our track record of partnerships with leading biopharmaceutical and biotechnology companies."*

This announcement contains inside information for the purposes of Article 7 of Regulation (EU) 596/2014 (MAR)

## **Notes to Editors**

### **About Arecor**

Arecor Therapeutics plc is a globally focused biopharmaceutical company transforming patient care by bringing innovative medicines to market through the enhancement of existing therapeutic products. By applying our innovative proprietary technology platform, Arestat™, we are developing an internal portfolio of proprietary products in diabetes and other indications, as well as working with leading pharmaceutical and biotechnology companies to deliver therapeutic products. The Arestat™ platform is supported by an extensive patent portfolio.
